For capitalised terms used herein please refer to the section on Key Definitions set out below.

1. Risks relating to the Open Offer and the Underlying Transaction:

- The Open Offer is an open offer under the SEBI (SAST) Regulations to acquire up to 34,67,880 (thirty-four lakhs sixty-seven thousand eight hundred and eighty) Equity Shares representing 26.00% of the Expanded Voting Share Capital, from the Public Shareholders. If the number of Equity Shares validly tendered by the Public Shareholders under this Open Offer is more than the Offer Size, then the Offer Shares validly tendered by the Public Shareholders will be accepted on a proportionate basis, subject to acquisition of a maximum of 34,67,880 (thirty-four lakhs sixty-seven thousand eight hundred and eighty) Equity Shares, representing 26.00% of the Expanded Voting Share Capital. Accordingly, there is no assurance that all the Equity Shares tendered by the Public Shareholders in the Open Offer will be accepted. The lien marked against the unaccepted Equity Shares tendered by the public shareholders shall be released in accordance with the schedule of activities for the Open Offer.
- In the event that either: (a) regulatory or statutory approvals required, if any, are not received in a timely manner; (b) there is any litigation leading to a stay/injunction on the Open Offer or that restricts/restrains the Acquirers from performing its obligations hereunder; or (c) SEBI instructs the Acquirers not to proceed with the Open Offer, then the Open Offer process may be delayed beyond the schedule of activities indicated in this Draft Letter of Offer or may be withdrawn in terms of Regulation 23 of the SEBI (SAST) Regulations. In case any statutory approval or other governmental approval that may be required by the Acquirers, is not received in time, SEBI may, if satisfied, grant an extension of time to the Acquirers for making payment of the consideration to the Public Shareholders whose Offer Shares have been accepted in the Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest, if any, in accordance with the SEBI (SAST) Regulations. In addition, where any statutory approval extends to some but not all of the Public Shareholders, the Acquirers shall have the option to make payment to such Public Shareholders in respect of whom no statutory approvals are required in order to complete this Open Offer. To the best of the knowledge of the Acquirers, there are no statutory or governmental approvals required for the consummation of the Transaction. However, if any other statutory or governmental approval(s) are required or become applicable at a later date before closure of the Tendering Period, this Open Offer shall be subject to such statutory approvals and the Acquirers shall make the necessary applications for such statutory approvals and the Underlying Transaction and the Open Offer would also be subject to such other statutory or other governmental approval(s). In case of delay in receipt of any other statutory approval that may be required by the Acquirers at a later date, as per Regulation 18(11) of the SEBI (SAST) Regulations, SEBI may, if satisfied that such non-receipt was not attributable to any wilful default, failure or neglect on the part of the Acquirers to diligently pursue such approvals, grant an extension of time to the Acquirers for making payment of the consideration to the Public Shareholders whose Offer Shares have been accepted in the Open Offer, subject to such terms and conditions as may be specified by SEBI, including payment of interest in accordance with Regulation 18(11) of the SEBI (SAST) Regulations.

Further, if the Public Shareholders who are not persons resident in India require or had required any approvals in respect of

the transfer of Equity Shares held by them, they will be required to submit such previous approvals that they would have obtained for holding the Equity Shares, to tender the Equity Shares held by them pursuant to this Open Offer, along with the other documents required to be tendered to accept this Open Offer. - Equity Shares, once tendered in the Open Offer, cannot be withdrawn by the Public Shareholders, even if the acceptance of their Equity Shares in this Open Offer and payment of consideration are delayed. The Public Shareholders will not be able to trade in such Equity Shares which have been tendered in the Open Offer. During such period, there may be fluctuations in the market price of the Equity Shares. Neither the Acquirers nor the Manager to the Offer make any assurance with respect to the market price of the Equity Shares, both during the period that the Open Offer is open and upon completion of the Open Offer and disclaim any responsibility with respect to any decision taken by the Public Shareholders with respect to whether or not to participate in the Open Offer.
